

# EMT-Basic Academy

**Classes Run: Tuesday, March 19, 2013 – Thursday, May 16, 2013**

**MCLA, North Adams, MA**

**\$995.00 (includes books and all materials)**

*Classes meet every Tuesday and Thursday evenings, 6:00 – 10:00 p.m.*

*And five Saturdays (8:00 a.m. – 4:00 p.m.) throughout semester.*

## **Description:**

This program covers anatomy and physiology, initial patient survey and triage, airway management, oxygen therapy, and treatment of bleeding, shock, cardiac arrest, fractures, spinal injuries and other medical emergencies. Additional areas of study include automated external defibrillation and CPR. Students will receive certification in the Incident Command System, which is a Federal mandate for all emergency service personnel. Students will also participate in a Mass-Casualty Incident, which is a hands-on realistic drill with all skills being utilized.

The course is designed for anyone interested in working in sports medicine, nursing, and public safety including fire, police and ambulance operations. Students who successfully complete one of these programs are eligible to take the National Registry Examination, and/or MA Certification Exam.
